

## Description

|                          |                        |
|--------------------------|------------------------|
| <b>Order Number:</b>     | AC-8503/05/06-CS-1     |
| <b>Housing Material:</b> | Aluminum               |
| <b>Note:</b>             | Einschaltdauer: 60% ED |

## Technical data

|                                     |  |
|-------------------------------------|--|
| <b>Operating temperature range:</b> | Max. operating air temp. 140°F   |
| <b>Mounting:</b>                    | 35 mm rail / EN 50 022   |
| <b>Dimension H x W x D:</b>         | 62 mm x ø130 mm  |
| <b>Weight:</b>                      | 4.5 kg   |
| <b>Voltage / Frequency:</b>         | Primary: 115 / 400/ 460V ± 10% 50/60 Hz ~N<br>Secondary: 230V ± 10% 50/60 Hz ~N 1.7A |
